Supplemental Type Certificate

Number SA00799SE

This certificate, issued to

**Kenmore Air Harbor
6321 NE 175th Street
Kenmore, WA 98028-0064**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 10 of the Civil Aviation Regulations.

Original Product—Type Certificate Number: A-806
Make: deHavilland
Model: DHC-2 Mk I

Description of the Type Design Change: Install an air oil separator in accordance with Kenmore Air Harbor Document 39DBM001MDL "Master Drawing List," Revision New, dated October 28, 1999, and Kenmore Air Harbor Document K28498, "Oil Separator Installation Instructions," Revision New, dated October 28, 1999, or later FAA approved revisions to either document.

Limitations and Conditions: Incorporation of this modification is approved for airplanes S/N 1072 and subsequent, and for airplanes S/N 1 to 79 inclusive, and 81 to 1071 inclusive if deHavilland Modification 2/1164 has been incorporated. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this Certificate to alter the product, the holder shall give the other person written evidence of that permission.

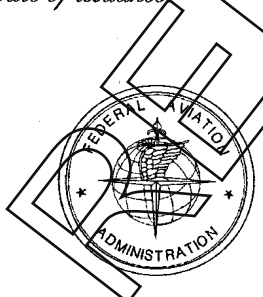

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
