

Supplemental Type Certificate

Number SA01387SE

This certificate, issued to

**Kenmore Air Harbor, Inc.
6321 NE 175th Street
Kenmore, WA 98028**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

<i>Original Product—Type Certificate Number:</i>	A-806
<i>Make:</i>	deHavilland
<i>Model:</i>	DHC-2 Mk. I, DHC-2 Mk. II, DHC-2 Mk. III

Description of the Type Design Change: Manufacture of alternate fuel selector valves for the main fuel tank and the wing tank positions (part numbers EFSA25-5KA and EFSA25-4KA, respectively) in accordance with Kenmore Air Harbor Master Drawing List # 31412 MDL, Revision B, dated February 12, 2004, or later FAA-approved revision. Installation of the main fuel tank selector valve in accordance with Kenmore Air Harbor drawing EFSA25-5INS, Revision A, dated February 12, 2004, or later FAA-approved revision, and Section 5.16.2 of the latest revision to the DeHavilland DHC-2 Maintenance Manual. Installation of the wing tank fuel selector valve in accordance with Section 5.31.2 of the latest revision to the DeHavilland DHC-2 Maintenance Manual. This modification does not require specific continued airworthiness instructions. FAR 43 is adequate to ensure continued airworthiness of this modification.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft on which previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effects upon the airworthiness of that aircraft. A copy of this Certificate must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

<i>Date of application:</i>	June 6, 2003
<i>Date of issuance:</i>	March 8, 2004

<i>Date reissued:</i>	
<i>Date amended:</i>
