

Supplemental Type Certificate

Number SA456NW

This certificate, issued to Kenmore Air Harbor, Inc.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 10 of the Civil Air Regulations, equivalent to CAR 3, dated November 13, 1945.

Original Product — Type Certificate Number: A-806

Make: DeHavilland

Model: DHC-2 Mk 1

Description of Type Design Change: Installation of auxiliary vertical seaplane fins in accordance with Kenmore Air Harbor, Inc. Installation Instructions No. K8819.

- NOTE:
1. These fins are mounted as end plates to outboard end rib of the horizontal stabilizer and replaces the standard DeHavilland ventral fin.
 2. These fins need not be removed in the event the aircraft is converted to a landplane.

Limitations and Conditions: Approval of this change in type design applies basically to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft.

See "Continuation Sheet" Page 3
