Supplemental Type Certificate

Number SA5160NM

This certificate, issued to Kenmore Air Harbor, Inc.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 10 of the Civil Air Regulations.

Original Product — Type Certificate Number: A-806

Make: The DeHavilland Aircraft of Canada, Limited

Model: DHC-2 Mk 1

Description of Type Design Change: Extension of Bristol Amphibious Float Model 348-4580, in accordance with Kenmore Air Harbor, Inc. Installation Instructions K20367 of May 17, 1991.

Approval of this change applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those or other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate, its Continuation Sheet, and FAA Approved Airplane Flight Manual Supplement of May 17, 1991, or later FAA approved revision, must be maintained as part of the permanent records for the modified aircraft. (See Continuation Sheet)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or after termination date is otherwise established by the Administrator of the Federal Aviation Administration.

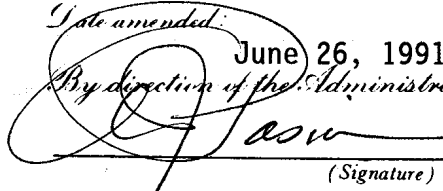

Date of application: April 26, 1991

Date issued:

Date of issuance: May 17, 1991

Date amended: June 26, 1991

By direction of the Administrator
